

KINSHIP CARE IN TASMANIA
A SURVEY TO IDENTIFY THE GREATEST NEEDS

The results of this questionnaire will be used to write a report about the most pressing needs of kinship carers in Tasmania. The report will be published and posted to all those who participate in the survey. The report will also be made freely available to the public. KinCarers Tasmania Inc. guarantees that personal details of kinship carers who participate in the survey will be revealed and that not one personal situation will be identifiable in the report.

Stage 1 of this survey closes on November 20th so that an interim report can be written in 2017.

Stage 2 Surveys collected after November 20th will inform the final report expected within 6 months.
