Thinking about getting online, but not sure how ?

Getting online and being safe is easier than you think. Sometimes, the hardest part is simply knowing where to start!

Why go online?

- Keep in contact with friends, kids and grandkids
- Share photos and videos
- Pay bills easily from home
- Avoid queues by using businesses and services at home
- Share your interests
- Have fun playing games and testing your mind
- Watch your favourite TV shows, films, or the news whenever you want
- Learn something new

How can I learn?

Whatever your reason for going online, there are programs in your area to help you get there—whether **one-on-one or in a group**, and they can teach you how to do it **safely**.

Contact them to find out more!

Have a Home Care package?
You may be able to join and pay for a program through your package! Ask your service provider about your options.

Programs on the East Coast

Program	Go-Digi (one-on-one)
