

Thinking about getting online, but not sure how ?

Getting online and being safe is easier than you think. Sometimes, the hardest part is simply knowing where to start!

Why go online?

- Keep in contact with friends, kids and grandkids
- Share photos and videos
- Pay bills easily from home
- Avoid queues by using businesses and services at home
- Share your interests
- Have fun playing games and testing your mind
- Watch your favourite TV shows, films, or the news whenever you want
- Learn something new

How can I learn?

Whatever your reason for going online, there is support to help you get there. This might be **one-on-one** or in a **group**.

Have a Home Care package?

You may be able to join and pay for a program through your package! Ask your service provider about your options.
