

How to: Use the Check in TAS app on your phone or tablet

All devices are different. Don't stress about what's on your screen, look for the **icons** and **word commands** we have **ringed in red**.

If you haven't set up the Check in TAS app on your device yet, check out our guide 'How to set up the Check in TAS app on your phone or tablet'.

Open the 'Check in TAS' app on your phone or tablet.

Tap on 'Check in now'.

5

Move your camera over the poster so that the square barcode (called a QR code) is inside the white lines.

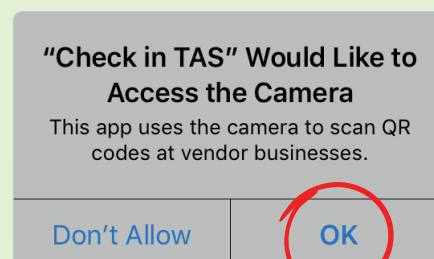

4

This screen will appear.

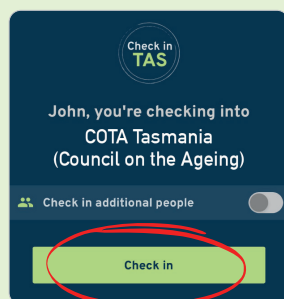

3

If this message (or similar) pops up tap on 'OK' or 'Allow'.

6

When the barcode is inside the white lines this screen will appear.

Tap on 'Check in'.

7

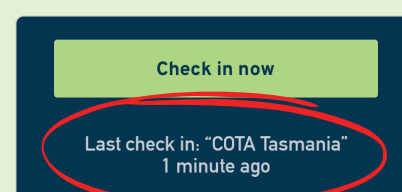

Tap on 'Done'.

8

You will be returned to the home page.

Your check in location will be displayed under the 'Check in now' button to let you know that you have checked in successfully.
